OTHER RIGHTS

The benefits given by these warranties are additional to other rights and remedies that you may have under laws relating to our products. Our goods come with guarantees that cannot be excluded under the Australian Consumer Law (contained in Schedule 2 of the Competition and Consumer Act 2010 (Cth)) (Consumer Guarantees). These include that our products will be of 'acceptable quality' and fit for purpose. If we fail to comply with a consumer guarantee, you will be entitled to have the product replaced, repaired or refunded. Additionally, you would be entitled to compensation for reasonably foreseeable loss you incur as a result of our product failing to comply with a consumer guarantee.

The remainder of this document does not impose any limitation on, or precondition to the exercise of rights in accordance with, the Consumer Guarantees.

LOGGING A WARRANTY CLAIM

To make a claim under the warranties, please contact the Rondo authorised distributor from whom you purchased the product. Otherwise, you may send details of your warranty claim directly to Rondo by post:

After you lodge a warranty claim, Rondo may, before providing warranty service, require that you provide proof of purchase, respond to questions designed to assist with diagnosing potential faults and follow Rondo's procedures for obtaining warranty service. You must respond to all requests promptly and at your own expense.
